(pictured left ministering with his son in Singapore this past June 2018)

Bruce Billington is an international speaker, mentor, and consultant to both churches and businesses. Prior to ministry, he spent 18 years in his own business. In his role for GoStrategic, Bruce travels constantly to many parts of the world speaking in churches and at conferences on the message of the Kingdom of God and working to establish the schools and training facilities GoStrategic offers. He also runs his own consultancy business with the primary aim of helping Christian business people apply the message of the Kingdom of God into their realm of business.

He holds a Bachelor of Theology degree with honours from Otago University and is now working on his Master's degree in Theology. He is the author of "Eternity Begins Now" a book on the understanding and application of the Kingdom of God.

Bruce first met Dennis Peacocke in 1984 at a large ministry conference in New Zealand which Bruce was convening. In 1987 they covenanted to work together taking the message of the Kingdom of God to the nations. Bruce joined the Board of SCS (now GoStrategic) in 1992 and established the SCS Pacific office (now known as Strategic Resource Training) in New Zealand in 1995. Through this office both the GoLife and the GoBusiness training schools were established in New Zealand, Australia, and with the support of the International office, into the Asian nations and beyond. This development has now continued into South Africa, Madagascar and the surrounding Islands.

Since 1992 Bruce has voluntarily given a major portion of his time to promote and establish the vision of GoStrategic around the message of the Kingdom of God in many different nations, including the setting up and overseeing of the schools and the support of church leaders who wish to apply the message of the Kingdom through their church ministries. He has traveled over two million air miles and has ministered in 23 different nations. Many of these trips have been done together with Dennis, with Bruce supporting and contributing to the work Dennis has been called to do, particularly in the realm of preaching, teaching and meeting with key leaders.

In 2014 Bruce added the role of International Director to his other responsibilities for GoStrategic. This including the relational oversight of the schools, mentoring many of the key leaders and ensuring the quality control of the schools were being met in the various countries where they were established.

Bruce is married to Linda and they reside in Upper Hutt, New Zealand. He has two adult children who are both married and are involved in various aspects of the ministry with him. He has 7 grandchildren.
