

The Church Serving Communities in Crisis

How disaster preparedness and disaster response can transform your community

Thurs, March 28th @ 7pm – Fri, March 29th @ 5pm
Flamingo Hotel, Santa Rosa, CA

We are excited to host this mini conference as a special track during the 2019 Transforum Event (sponsored by GoStrategic & The Statesmen Project). You are invited to hear from national leaders in the field and church, and community leaders currently in the midst of helping their communities prepare for and recover from natural disasters and social crises. Receive clear insight and practical training to help position your community to wisely respond to challenging situations. In a community's darkest moments, the church has its greatest opportunity to shine as a city on a hill!

PRESENTERS INCLUDE:

- Doug Stringer, Founder of *Somebody Cares*
- Kevin Cox, Founder of *Hope Crisis Response Network*
- Leaders from Sonoma County experienced in recovery from the 2017 Tubbs & Nuns Fires
- Leaders from Butte County recovering from the 2018 Camp Fire
- And more...

Registration Info:

This mini conference coincides with the Transforum 2019 Event. Attendees may attend this mini conference only or the entire Transforum event March 28-30th.
