**The School of Strategic Living (GoLife)** began in the home of Dennis Peacocke in the 1980s with a vision to equip his children with tools to prepare them to be leaders in their generation. In 1991, this family exercise was developed into a course for emerging leaders of all ages by equipping them to think biblically, challenging them to live strategically, and providing insights for leading effectively.

We are a group of people seeking to transcend self-interest and politics-as-usual to help our communities and nations thrive. Freedom, sustainable prosperity, and justice are the legitimate goals of all nations and people groups. The only pathway is clear, long-term strategic thinking undergirded by a genuine ethic of "loving our neighbors as we love ourselves."
