**Spouse/Family Rate:** A person may enroll in the same course as their spouse or household family member (e.g. sibling/parent), in either the same year or a different year, for a minimal administrative fee of \$500 for an 18-month course or \$250 for a 12-month course (the first person must have paid full tuition rate). This includes access to all digital curriculum materials and one set of shared physical curriculum materials (contact the office to purchase a second set).

**Repeat Enrollment Rate:** A student who repeats enrollment of a course after previous failing or dropping either a 12-month or 18-month course may re-enroll at the discounted repeat-enrollment rate of \$200 plus unpaid tuition balance, if applicable.

**Alumni Rate:** The course auditing fee is \$100. This alumni rate applies to graduates who wish to informally attend (not for academic credit) a course they have previously completed and passed.

**Late Registration Fee:** Enrollment past course start is subject to review and a \$50 late fee for the additional administrative costs.

**Late/Declined Payments:** A fee of \$15 will be added to late/declined tuition payments. Should your credit/debit card be replaced, please provide the office with updated payment info before your scheduled payment date.

### School Refund Policy:

- **For tuition paid in full in advance:** If you disenroll within 90 days of your first meeting, a pro-rated refund will be determined based on disenrollment date, less the cost of curriculum and shipping fees and a \$100 cancellation fee. If you disenroll after 90 days, there is no refund.
- **For monthly payment plans:** Future scheduled payments will be cancelled, and there is a \$100 cancellation fee.
- **Repeat Enrollment:** A student who repeats enrollment of a course after previous failing or dropping either a 12-month or 18-month course may re-enroll at the discounted repeat-enrollment rate of \$200 plus unpaid tuition balance, if applicable.
- **For the spouse/family rate:** There is no refund for the discounted rate (\$250 for 12-month courses or \$500 for 18-month courses) provided to the spouse or household family member. If the second person disenrolls, the standard refund policies above apply.
- **Curriculum:** All materials received are yours to keep.
