Founded in 1979 by Dennis Peacocke, who serves as President, Strategic Christian Services is a prophetic ministry committed to training leaders in every sphere of culture in “discipling nations” and transforming their world. Santa Rosa, California serves as the international headquarters for SCS. While our ministry is U.S.-based, our vision is international. We have offices in Switzerland, Costa Rica, and New Zealand. We see God’s Spirit beginning to form a movement which will unquestionably transform us all in the coming years. We intend to remain on the cutting edge of this movement as it gathers momentum globally.

Our mission is to pioneer in transforming the world we know into the world God has intended. This transformation, which requires genuine, lasting change in every area of contemporary life, is the venture to which the men and women of Strategic Christian Services have dedicated their lives. Strategic Christian Services touches the nations through the SCS Leadership Institute, numerous seminars, locally-based “transformation groups,” and a host of educational products. These products and services encourage and enable men and women to discover and live out their God-given destinies with passion and excellence, thereby strengthening the families, businesses, ministries, and nations which they lead and serve.
